

PRASENJIT BEHERA

PROFILE

I am a Computer Science diploma student and aspiring software developer with knowledge of Java, Python, C, and Data Structures & Algorithms. I am passionate about programming, problem-solving, and learning new technologies. I aim to build efficient software solutions and continuously improve my technical and development skills.

WORK EXPERIENCE

I am a Computer Science student and aspiring Software Developer with a strong interest in web development. I have knowledge of Java, Python, C, and basic web technologies like HTML, CSS. I am currently learning Data Structures and Algorithms using Java to improve my problem-solving skills. I enjoy building small projects and continuously learning new technologies. As a fresher, I am looking for an opportunity to start my career as a Web Developer or Software Developer and gain practical industry experience.
